CHAPTER _____

An act to amend Sections 17021.6, 18214, and 18862.39 of the Health and Safety Code, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

SB 1802, Ducheny. Farmworker housing.

(1) The Employee Housing Act deems employee housing consisting of no more than 12 beds in a group quarters or 12 units or spaces designed for use by a single family or household, an agricultural land use for designated purposes.

This bill would revise this number to no more than 36 beds in a group quarters or 12 units or spaces, as specified above. By increasing the duties of local public officials, the bill would impose a state-mandated local program.

(2) Existing law prohibits an area or tract of land zoned for agricultural purposes where 2 or more lots are rented, leased, or held out for rent or lease to accommodate owners or users of 12 or fewer recreational, manufactured homes, or mobilehomes from being deemed a recreational vehicle park or mobilehome park.

This bill would extend this prohibition to employee housing that obtains a permit to operate pursuant to the Employee Housing Act, meets criteria specified in that act, and is comprised of 2 or more lots or units held out for lease or rent or provided as a term or condition of employment.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 17021.6 of the Health and Safety Code is amended to read:

17021.6. (a) The owner of any employee housing who has qualified or intends to qualify for a permit to operate pursuant to this part may invoke this section.

(b) Any employee housing consisting of no more than 36 beds in a group quarters or 12 units or spaces designed for use by a single family or household shall be deemed an agricultural land use designation for the purposes of this section. For the purpose of all local ordinances, employee housing shall not be deemed a use that implies that the employee housing is an activity that differs in any other way from an agricultural use. No conditional use permit, zoning variance, or other zoning clearance shall be required of this employee housing that is not required of any other agricultural activity in the same zone. The permitted occupancy in employee housing in an agricultural zone shall include agricultural employees who do not work on the property where the housing is located.

(c) Except as otherwise provided in this part, employee housing consisting of no more than 36 beds in a group quarters or 12 units or spaces designed for use by a single family or household shall not be subject to any business taxes, local registration fees, use permit fees, or other fees to which other agricultural activities in the same zone are not likewise subject. This subdivision does not forbid the imposition of local property taxes, fees for water services and garbage collection, fees for normal inspections, local bond assessments, and other fees, charges, and assessments to which other agricultural activities in the same zone are likewise subject. Neither the State Fire Marshal nor any local public entity shall charge any fee to the owner, operator, or any resident for enforcing fire inspection regulation pursuant to state law or regulations or local ordinance, with respect to employee housing consisting of no more than 36 beds in a group quarters or 12 units or spaces designed for use by a single family or household.

(d) For the purposes of any contract, deed, or covenant for the transfer of real property, employee housing consisting of no more than 36 beds in a group quarters or 12 units or spaces designed

for use by a single family or household shall be considered an agricultural use of property, notwithstanding any disclaimers to the contrary. For purposes of this section, “employee housing” includes employee housing defined in subdivision (b) of Section 17008, even if the housing accommodations or property are not located in a rural area, as defined by Section 50101.

(e) The Legislature hereby declares that it is the policy of this state that each county and city shall permit and encourage the development and use of sufficient numbers and types of employee housing facilities as are commensurate with local need. This section shall apply equally to any charter city, general law city, county, city and county, district, and any other local public entity.

(f) If any owner who invokes the provisions of this section fails to maintain a permit to operate pursuant to this part throughout the first 10 consecutive years following the issuance of the original certificate of occupancy, both of the following shall occur:

(1) The enforcement agency shall notify the appropriate local government entity.

(2) The public agency that has waived any taxes, fees, assessments, or charges for employee housing pursuant to this section may recover the amount of those taxes, fees, assessments, or charges from the landowner, less 10 percent of that amount for each year that a valid permit has been maintained.

(g) Subdivision (f) shall not apply to an owner of any prospective, planned, or unfinished employee housing facility who has applied to the appropriate state and local public entities for a permit to construct or operate pursuant to this part prior to January 1, 1996.

SEC. 2. Section 18214 of the Health and Safety Code is amended to read:

18214. (a) “Mobilehome park” is any area or tract of land where two or more lots are rented or leased, held out for rent or lease, or were formerly held out for rent or lease and later converted to a subdivision, cooperative, condominium, or other form of resident ownership, to accommodate manufactured homes, mobilehomes, or recreational vehicles used for human habitation. The rental paid for a manufactured home, a mobilehome, or a recreational vehicle shall be deemed to include

rental for the lot it occupies. This subdivision shall not be construed to authorize the rental of a mobilehome park space for the accommodation of a recreational vehicle in violation of Section 798.22 of the Civil Code.

(b) Notwithstanding subdivision (a), employee housing that has obtained a permit to operate pursuant to the Employee Housing Act (Part 1 (commencing with Section 17000)) and that both meets the criteria of Section 17021.6 and is comprised of two or more lots or units held out for lease or rent or provided as a term or condition of employment shall not be deemed a mobilehome park for the purposes of the requirement to obtain an initial or annual permit to operate or pay any related fees required by this part.

(c) Notwithstanding subdivision (a), an area or tract of land shall not be deemed a mobilehome park if the structures on it consist of residential structures that are rented or leased, or held out for rent or lease, if those residential structures meet both of the following requirements:

(1) The residential structures are manufactured homes constructed pursuant to the National Manufactured Housing Construction and Safety Act of 1974 (42 U.S.C. Sec. 5401 et seq.) or mobilehomes containing two or more dwelling units for human habitation.

(2) Those manufactured homes or mobilehomes have been approved by a city, county, or city and county pursuant to subdivision (d) of Section 17951 as an alternate which is at least the equivalent to the requirements prescribed in the California Building Standards Code or Part 1.5 (commencing with Section 17910) in performance, safety, and for the protection of life and health.

SEC. 3. Section 18862.39 of the Health and Safety Code is amended to read:

18862.39. (a) “Recreational vehicle park” is any area or tract of land, or a separate designated section within a mobilehome park where two or more lots are rented, leased, or held out for rent or lease, or were formerly held out for rent or lease and later converted to a subdivision, cooperative, condominium, or other form of resident ownership, to accommodate owners or users of recreational vehicles, camping cabins, or tents.

(b) Notwithstanding subdivision (a), employee housing that has obtained a permit to operate pursuant to the Employee Housing Act (Part 1 (commencing with Section 17000)) and that both meets the criteria of Section 17021.6 and is comprised of two or more lots or units held out for lease or rent or provided as a term or condition of employment shall not be deemed a recreational vehicle park for the purposes of the requirement to obtain an initial or annual permit to operate or pay any fees related thereto required by this part.

SEC. 4. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
